

DELETION OF CONTRACTORS

The Contractors Registration Board (CRB) is a government autonomous regulatory body established by Act of Parliament No. 17 of 1997 to register all types of contractors and regulate their conduct for the purpose of protecting consumers of construction services in Tanzania. In relation to this objective, CRB is also duty bound to promote the development of local contractors. The day to day activities of the Board are performed by a Management Team (Secretariat) under the Registrar as Chief Executive Officer.

We wish to inform all clients, Consultants and general public that the following contractors have been deleted from our Register of Contractors with effect from 01.01.2010 in accordance with subsection 13 (1) (b) (c) and (d) and 15 (1) (c) respectively of the Contractors Registration Act No. 17 of 1997 as amended by The Contractors Registration (Amendments) Act No. 15 of 2008
